

## **\*ICE2024-PAYS**

The International Congress of Entomology 2024 (ICE2024) has established the Presentation Awards for Young Scientists (hereinafter referred to as "PAYS") to encourage young scientists to pursue their academic and technical research, and support their international activities. We invite young presenters to apply for the PAYS award. We welcome applications from those who meet the following requirements.

### 1. eligibility requirements

The applicant must be a student, or under 35 years old (as of August 1, 2024).

The applicant must be the first author of an oral or poster presentation at ICE2024.

### 2. About the Award

The electronic certificate of commendation will be awarded.

### 3. Selection Method

It is expected approximately 10% of nominee will be selected by voting of all participants based on their overall judgment of the research, the clarity of the presentation materials, and the quality of the explanations.

### 4. Application

When submitting an abstract, check the "Apply" box and enter the date of birth.

It is possible to apply both this Award and Presentation Awards for Women Scientists (ICE2024-PAWS) if the applicant is eligible.

### 5. Award Results

The winners will be announced at the closing ceremony and an electronic award certificate will be sent to the e-mail address on the application. After the award ceremony, the winners will be posted on the ICE2024 website.
